..... is an exciting joint venture between Chappel and Wakes Colne Villages

Would you like to be part of the team, helping to plan and organise our very first 'Villages in Bloom' ?

You can help in a number of ways:

- have you got any bright ideas for displays ?
- can you grow some plants for us ?
- can you spare an hour or so planting up designated areas or pots ?

Find out more about how you can participate and help make our first Villages in Bloom, a BLOOMING SUCCESS !!
